Derrick Wayne Walker and Dakota Steven Proctor are in B6 cell 1 and have been for 4 weeks, our Toilet has been leaking for 3 weeks now spilling waist water on the floor and Derrick Walker sleeps laying on the floor by the toilet & his Bed has been getting wet from the toilet. We both have expressed to the C.O's and shift supervisor about our situation. We have put in grievances and the replies back have been "I'll see what I can do" and nothing has been done. We have asked for plastic Boats to be off the floor and or to be moved and we have been ignored. Dakota Proctor has slipped and fell from the water being on the floor and he has suffered injuries and has went to medical staff over them. These living conditions are unsanitary and we shouldn't have to live like this,
